Annexation of Sejgon – 1 P.S.

Enacted this Sunday, the 29th of June, at 12 in the afternoon, the incorporation of the Eleuedist State of Sejgon into the Provisional States of Clovisia.

In order to focus the attention of administration to one nation, Sejgon will be incorporated as the second administrative region of Clovisia. It shall be autonomous in nature, excepting for the appointment of an administrator by the Provisional Government. Under this act, [Aroñe z' Sprinskelë] shall be appointed as the first administrator of Sejgon.

The powers and duties of the administrator shall be: (a) to enact laws; (b) to enable or ban trade; (c) to change the form of government, i.e. transfer power to a Prime Minister or other form of leadership; (d) to provide updates to the Provisional Government of Clovisia; and (e) to work for the common good of society.

Provisional Act regarding Diplomacy – 2 P.S.

In order to keep Clovisian isolation and in order to protect it from malicious outsiders, this act seeks to place restrictions on which foreigners to do business with, in order to protect the national values of unity, traditionalism, and submission to God and His Church.

Sec. 1. The State of Clovisia shall not seek to do diplomacy or business with communist or racialist states, nor with states that require idolization of the state. These are against the faith and must be rejected. States that require idolization of greed or of money must also be avoided.

Sec. 2. The State if Clovisia will not make any agreements with any nations that is not Christian. If the state petitioning to Clovisia permits evils condemned by the Catholic Church, is primarily of heathen, or does not permit or allow the rights of the Catholic Church, Clovisia shall not engage in diplomacy. If the state in question does not respect or permit the expression of the Eleued culture, Clovisia shall not engage in diplomacy.

Sec. 3. Foreign states or Clovisia may be the first to communicate through the chosen diplomatic authority. If the foreign state is initiating, Clovisia must be given a maximum of three weeks for it to investigate the initiating nation. If the Clovisian diplomatic authority rejects the proposal, it will inform the initiating nation.

Sec. 4. Amendment to this document will be allowed every one year.

Provisional Act regarding Wartime – 3 P.S.

Recognising the need for a strong military for the defense of the State, the State of Clovisia enacts this law for the purposes of a draft, formation of military units, procedures, etc.
